

Our Sports Website: <http://www.biltongrangesport.co.uk/>

You might want to save the link in your favourites and send it to your family and friends – through this site, which is directly accessible from the main school site, you will be able to find out at a glance, what's on, where and when, in terms of school sports fixtures.

- Navigate to our **Sports Calendar** via the main menu, and then select the day you are interested in and then click the **Details** link. This shows the venue and if the match is away, there will be a link to the location map of our opponent's school. You can also see the team selected for the fixture wherever you see the little blue person image (team sheets will be available 48 hours before the fixture).
- From the Sports Calendar you can also click directly through to a team's fixtures & results listing by clicking the team's name. e.g. click on the "Girls-U13A".
- If you are following a particular team or teams you can also select **Sports & Teams Fixtures & Results** from the main menu. Then select a particular sport and your team to see **past results and upcoming fixtures**.
- From any team's fixture list you can "Spy" on opponents' recent results by clicking on the spyglass button, see the playing record by clicking on the folder button, or find their location by clicking on the map point button.
- From any team's **Fixtures & Results** listings you can also download the entire fixture list to your personal calendar on your PC or mobile device (such as an iPhone or iPad). Any changes we make to our fixtures will be synchronised with your personal calendar whenever you connect your PC or mobile device to the Internet.
- If you need to quickly find an away venue for one of our opponents you can either choose the map link directly from a fixture, available via the "details" button as described above, or you can select "Opponent Maps & Links" from the main menu.
