- **Terms and Conditions:** Please see the School's Terms and Conditions for further information about the payment of fees and extras. Copies are available on request from the Bursary. Please note in particular that a full term's fees are due if a student is withdrawn without a full term's notice, in writing, to the Head.
- **VAT:** Please note that there is a realistic likelihood of VAT being applied to fees charged by the School in the coming months or years. When such fees are applied, the School expects to revisit the fee sheet to ensure that charges reflect any savings including those on VAT reclamation. Please also note that any VAT charged will be for the account of the parents.
- **Composition of Fees Scheme:** If you would like to pay fees in advance, please contact the Finance Department who will be glad to help you use the School's Composition of Fees scheme. There can be no guarantee that such payments will not have VAT added in due course.
